

August 29, 2016,

Dear Atlas Customers:

This letter is to inform you about important changes that will be taking place as of Sept. 1, 2016. Because of ongoing events with my family, I am being called back home for an undetermined amount of time. Therefore, I have asked Doering Disposal to permanently take over the bag service portion of our business. The roll off dumpster side of the business will continue to operate as normal.

Doering is assuming the responsibility to pick up your remaining Atlas pre-purchased bags, at no additional charge, which they will continue to do until you need to re-order. At that time, you can continue your bag service with Doering Disposal. When you re-order your bags, please be sure to pay via check made payable to Doering Disposal in the amount of \$32.50 per set of 10.

Their service operates just like ours, so there will be no interruption with your pick ups. However, your pick up date and time may change. See below for specific details. Please be sure to get your trash out on its designated day by 7am, as alternate pick up days or times will not be available. Additionally, Doering Disposal delays service a day for the following holidays: Memorial Day, July 4th, Labor Day, Thanksgiving, Christmas, and New Year.

We are certain that you will appreciate them and make them your new permanent trash and recycling service provider. If you have questions that apply to us, Atlas, please call us at (970) 214-4902 by Aug. 31, 2016. On Sept. 1, Doering will assume permanent use of the phone number. If you have questions that pertain to Doering, please contact them at (888) 582-1898 or via their website at <http://www.doeringdisposal.com>. Their hours of operation are 7am-7pm.

Any transition can have some challenges, so I hope you will be patient as the new crew learns their routes and how to serve you best. I am certain you will be quite pleased!

All of us at Atlas want to express our genuine gratitude for allowing us to serve you for so many years! It has been a true privilege to get to know you!

As always, we wish you the very best that life has to offer!

With Deep Appreciation,

Hollie and the Atlas Team
